

**Diabetes should be part of
your family's history...**

not their future.

If you have Type 1 diabetes or other autoimmune disease
(lupus, MS, Addison's, thyroid or celiac) medical researchers need:

Family medical information on a confidential questionnaire.

A small sample of blood from some of your family members if selected for study.

Call today at (800) 345-4234 to find out more.

HBDI

The Human Biological Data Interchange

A non-profit, organization funded by the National Institutes of Health and the Pennsylvania Department of Health.
